Dear Store Manager,

I am a regular customer of your store and I would love to see Banana Wave® BananaMilk in your non-dairy milk section. Their product is the only all-natural, 5-in-1 superfood made from bananas, grains and seeds. Banana Wave® BananaMilk is packed with heart healthy ingredients, an abundance of vitamins and minerals, sufficient protein and fiber, along with more potassium than most alternative milk beverages. If you bring Banana Wave® BananaMilk to your store, I will personally tell everyone I know to make a purchase.

Sincerely,

Your Loyal Customer
